*From the Desk of Organizing Secretary.....*

In view of the previous scenario this conference, 9th Annual Conference of East Oncology Group i.e. **ONCOCON 2024** & Foundation Day of State Cancer Institute Rescheduled on **September 28th - 29th, 2024**, at IGIMS, Patna-14

Patna is capital of Bihar. It is a historical city of India, well connected by Railways, Airways and Roadways to neighboring regions and other major cities. The temperature in Patna during last week of August is comfortable and favorable. Recently visiting point nearby is Bapu sabhagar, Buddha Smriti, Patna zoo, Takhat Shri Harimandir ji, Golghar, Bihar Museum Kakolat falls, Marine Drive Patna, etc.

We all members of East Oncology Group are extremely pleased to extend this invitation for participation and partnership in the two days Conference of 9th ONCOCON 2024. It is our such National event in succession and we are sure that two days process of sharing and learning will be a successful one too. This conference is solely aimed at bringing together the people involved in the field of Oncology, promoting education of the oncology professionals and allied medical specialists on the advancements made in the field of cancer treatment and care.

As the theme of this year conference is “ **Hope is Stronger than Care**”, our effort is to present integrated learning and update from world’s leading cancer specialists, Forums and Institutions for introspection, analysis and practice. The scientific program will therefore revolve in all the related areas of sessions have been meticulously designed to improve our understanding, perceptions and actions in field of cancer treatment and patients care. This conference will also provide a platform for researchers to present their latest finding and learn about all the important developments in cancer research. Many Oncologist from National and International experts will participate in this conference. ONCOCON 2024 will be organized through a series of plenary sessions addressing common session on cancer issues and parallel sessions focusing in particular on prognosis and treatment approaches, cancer diagnosis, challenges and solutions, research issues advancements and applications.

We heartily welcome all delegates and forward to having your active participation in the National Conference of East Oncology Group i.e 9th ONCOCON 2024 , on dated September 28th-29th, 2024.
